			to		to	to
			$1,087.00	=	_____	($510.50 to $577.00)

*Tax rates were expanded beyond the highest rate of 5.6 percent. Your experience rate will be needed to determine the exact rate. This is a range of tax increases for those currently at 5.6 percent.

Note: If your company has experienced recent layoffs that impact your unemployment experience rate, your rate may be substantially higher than calculated.
