

IMA Announces Partnership with Paylocity

The Indiana Manufacturers Association (IMA) is pleased to announce a new partnership with Paylocity. Since 1997, Paylocity has been providing innovative payroll, human resource and time and labor software solutions to businesses across America. As America's leading independent provider of payroll and HR solutions, Paylocity has twice been named "Service Bureau of the Year" by the Independent Payroll Providers Association (IPPA). Additionally Paylocity has been named four times by Inc. Magazine as being amongst the nation's fastest-growing, privately held companies. Paylocity also provides complete tax filing services for clients with employees in all 50 states and Puerto Rico. Each year, they process over \$1 billion in tax payments in an accurate and timely fashion. Paylocity maintains ongoing communication with hundreds of tax authorities to keep abreast of the latest payroll tax laws and procedures.

To ensure that clients' tax returns are error-free, Paylocity has implemented edit checks during payroll processing, and automated notifications identify any potential data validity issues. They also electronically balance their tax accounts on a daily basis to ensure that the appropriate taxing body receives the tax deposits in a timely manner.

The partnership with the Indiana Manufacturers Association provides you with peace of mind. Paylocity has a proven, structured process in place to ensure IMA members experience a smooth transition to its services. Many IMA members are already Paylocity clients!

After the Paylocity sales consultant collects the necessary paperwork to begin the conversion process, new clients are typically ready to go within 3-6 weeks. Once processed, Paylocity assigns a dedicated “conversion specialist” that manages the move to its services. After 30 days, IMA members are transitioned to Paylocity’s dedicated account team. Paylocity’s award-winning customer service model means never getting voicemail or dealing with a call center; incoming calls always go directly to a live individual familiar with your business.
